Duke's Cold Nose Brown Ale	Bold City's #1 selling beer! A mild brown ale named after Duke, the owner's late, beloved boxer. This local favorite has hints of chocolate and caramel with a smooth nutty finish. A well balanced, flavorful brown ale that's perfect for any time of the year.  ABV - 5% • Calories-160 per 12 fl. Oz. • IBU's - 23 • SRM - 23
Mad Manatee IPA	An American IPA loaded with high alpha acid hop varieties. A nice herbal aroma and citrus finish can be expected.  IT'S AS BITTER AS A MAD MANATEE!  ABV - 5% • Calories-180 per 12 fl. Oz. • IBU's - 60 • SRM - 11
1901 Red Ale	Named after the "Great Fire of Jacksonville" that happened on May 3, 1901. It was one of the worst disasters in Florida history and the largest urban fire in the Southeastern United States. The 1901 Red Ale is not your standard red ale; it's brewed with a hefty amount of roasted barley to impart a nice roasted and smokey accent. Bitterness is low.
Archie's Rhino Rye Pale Ale	Named after Archie, Jacksonville Zoo and Gardens' oldest male Rhino, this Rye Pale Ale is a medium body pale ale with a touch of Rye malt which adds crispness to the malt profile and contributes to the surprisingly smooth and refreshing finish. Cascade, Centennial and Magnum hops balance out this beer and the combination makes for an exceptional Rye Pale Ale. Bold City Brewery donates a portion of the sales of this beer to the Jacksonville Zoo.
Big John's Apricot Wheat	Easy drinkin' wheat ale made and named for the Patriarch of the Miller family, Big John. We add a bit of apricot to the mix and this makes a brew that's perfect for those hot summer days!
Bold City's Pumpkin Ale	Bold City Brewery's Pumpkin Ale is mildly spiced with a blend of pumpkin and seasonal flavors.
Barrel-Aged Roxy's Imperial Cream Ale	We take our Roxy's Imperial Cream Ale and age it using bourbon barrels. The final outcome... a golden color smooth tasting cream ale with a hint of bourbon and subtle sweetness.
Super Secret Stout	American sweet / dry / milk stout hybrid. A large amount of roasted and chocolate flavors should be expected with a nice sweetness to balance out the finish.

## ABOUT US

Locally owned and operated, Bold City Brewery was created by the mother/son team of Susan and Brian Miller. They both became dissatisfied with the corporate world and decided to join the beer biz in 2008. Brian began home brewing in 2002 and crafted what would become Bold City's signature brands. Susan uses her corporate knowledge and runs the business side of the brewery while Brian heads brewery operations. The rest of the Miller family, with help from friends and relatives, all have a hand in the day to day operations. Bold City Brewery is truly a family owned and operated brewery.

"The concept of opening a business, any business, can be a scary one, but at some point, you have to allow yourself to dream about what could be and push forward with your aspirations. There have been lots of long hours and hard work, but we've been blessed with good times and loads of fun along the way." We hope to see you soon!
